CARDINAL'S MESSAGE

Congratulations to this year's graduates!

May God's blessing shine on you and your future.

As we continue to face this covid-19 pandemic, I humbly applaud Caritas Manila's efforts to continue to deliver the social services and development programs for the poor particularly the nationwide Youth Servant Leadership and Education scholarship program for poor but deserving youths.

To Caritas Manila and the donors and supporters of YSLEP, may you produce more graduates in the years to come.

To our graduates and newest members of the Caritas Manila Scholars Association, always go with God, and you will never go wrong.

God bless you all.

+H.E. Jose F. Cardinal Advincula, D.D.
Chairman, Caritas Manila

"And whatever you do, whether in word or deed, do it all in the name of the Lord Jesus, giving thanks to God the Father through him."

– Colossians 3:17

EXECUTIVE DIRECTOR'S MESSAGE

Congratulations to our dear YSLEP graduates of 2021!

And as we particularly emphasized this year, "*TULOY ANG ARAL KAHIT NA MAY COVID!*" (school continues despite the Covid-19 Pandemic)." Our 332 graduates of 2021 show our commitment to this cause. We at Caritas Manila strongly believe in the effectiveness and sustainability of education to empower and help the poor to help themselves.

As we continue to meet this pandemic head on, we will continue to push not just to survive but to thrive by going all out in our social service and development programs for the poor especially the Youth Servant Leadership and Education Program.

To our donors and benefactors, thank you for believing in YSLEP and Caritas Manila. May you continue to support YSLEP and invite others to support the program. Next year, we expect to produce more successful graduates nationwide under the program.

Fr. ANTON C.T. PASCUAL
Executive Director, Caritas Manila

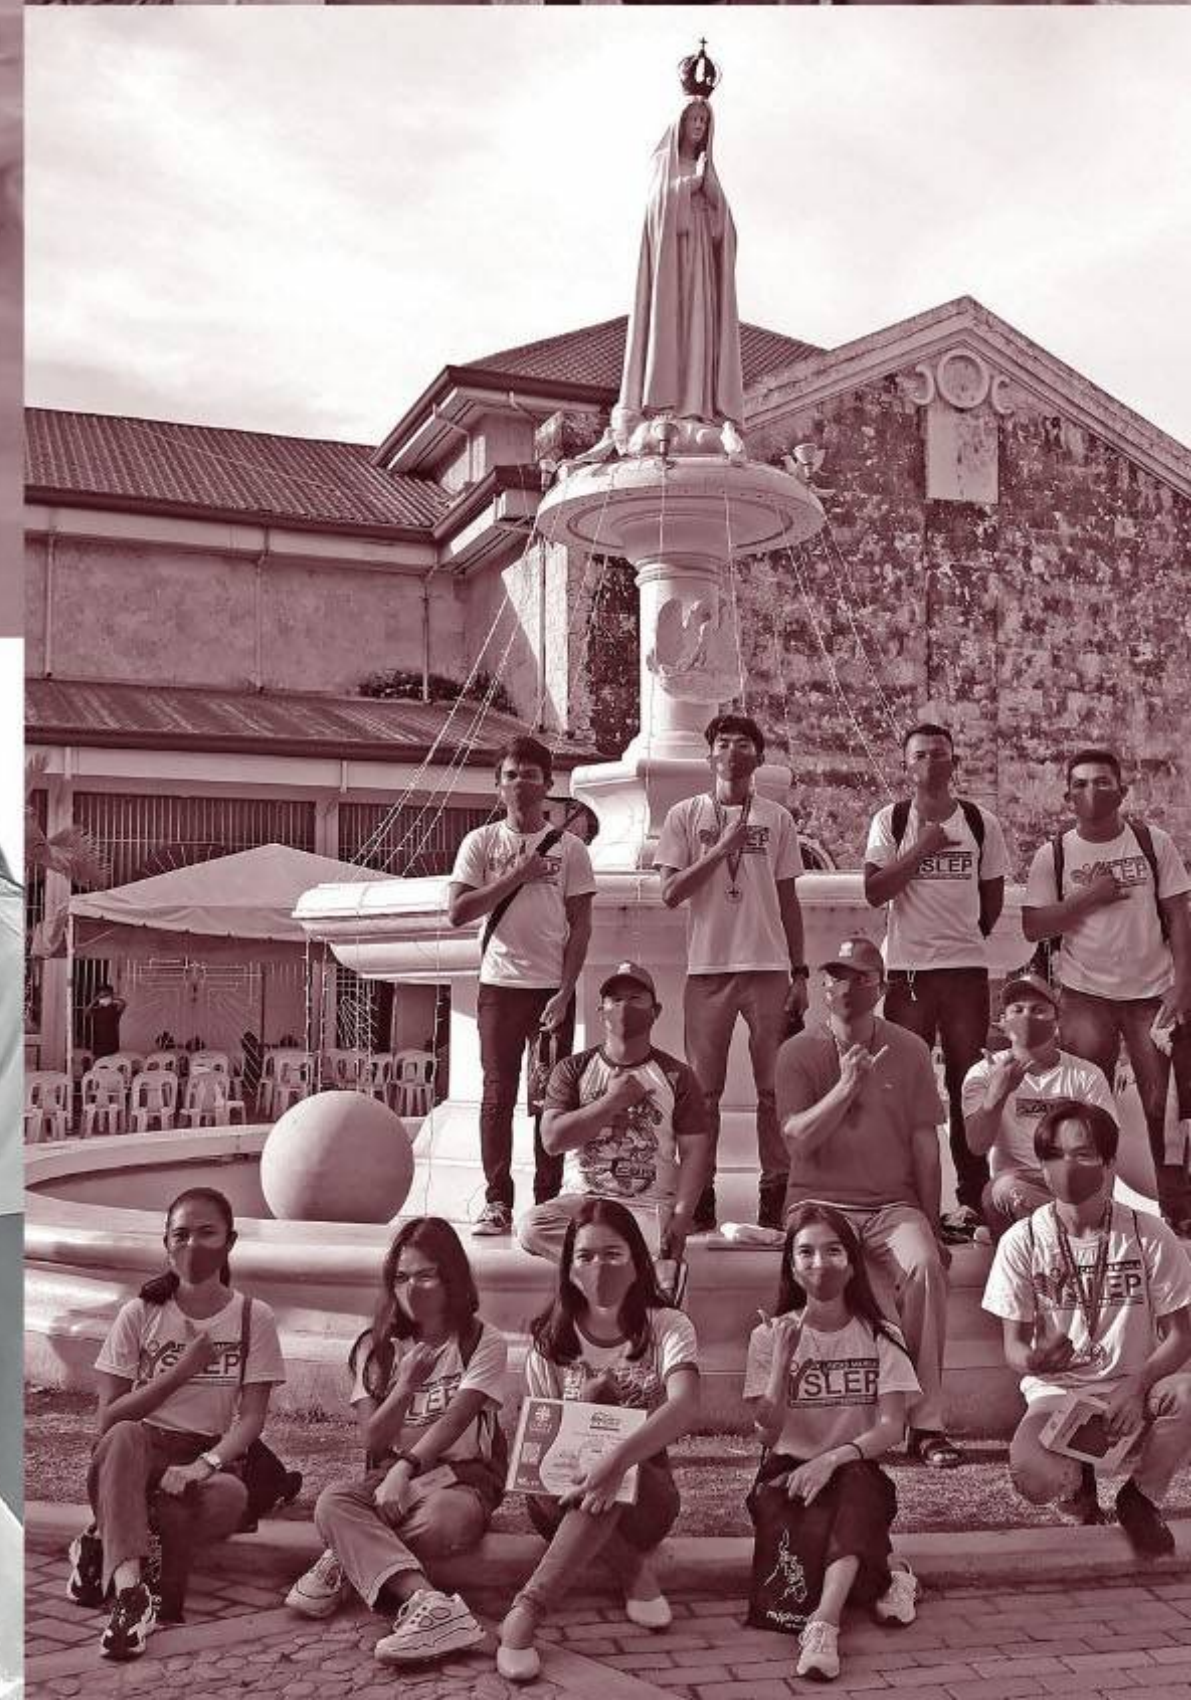

"...Be strong and courageous. Do not be afraid; do not be discouraged, for the LORD your God will be with you wherever you go."

“Don’t give up before you’ve tried just because you don’t think you can achieve something. Some of our best accomplishments in life are achieving what we once thought was impossible. Make it possible by believing, starting and continuing.”

My decision to pursue my College degree was a risk. For seven years after I graduated in high school, I worked hard to earn money and help my family. I worked as a nanny for four years in Manila, and as a factory worker in Mitzumi Danao, and as a *Bingo Peryahan* staff in Bacolod. When I decided to go back to school, my parents would not allow it because they could not afford it. I have three siblings who are in secondary level. But I was really determined to go to college and get a bachelor’s degree. So I asked help from my relatives in Manila and they were willing to support me.

I wasn’t gifted with a high IQ or a very sharp mind. But there is reason why I stand here today even if I did not have the brightest of minds. I stand here because I worked hard. I gave my all to my goal and I made a lot of sacrifices along the way. There were difficulties and obstacles, especially when it came to financial matters. But GOD is a great provider and He sent generous people to help me and provide for my needs until I was able to graduate. I became a scholar of Caritas Manila’s Youth Servant Leadership and Education Program and was able to save money to have a small business. I was a dealer of Avon and Personal Collection products; online seller and at the same time a TPC loader.

To CARITAS MANILA headed by our Executive Director - Fr. Anton Pascual, Maam Marilou Samson, Maam Maribel Palmitos, Sister Alma Mangao, to the members of the Board, generous sponsors and formators - thank you so much for giving me the chance to be a YSLEP scholar. I will be forever thankful and grateful. You also gave me an opportunity to serve God and our community by sharing my time and talent through service. YSLEP helps dedicated students achieved

their goals and at the same time molds us to become better individuals and citizens in our community.

To my family, my source of strength, my inspiration and the reason why I strived so hard - thank you so much for the love and support. To Mama and Papa who always found ways to solve our financial problems, no words can express how grateful I am for having you as my parents.

To my friends, relatives, YSL and BSEd-TLE family who are one text, call or chat away - thank you so much for always extending a helping hand and a generous heart when times were hard or when I needed back-up.

Now, I am holding my College Diploma as Magna Cum Laude Bachelor of Secondary Education Major in TLE. God gave it to me as a gift and as fruit of all my sacrifices and perseverance.

To everyone who has been part of this journey, I wholeheartedly express my gratitude for making my dream come true. Every drop in the ocean counts and I would never forget those who helped me sail through troubled waters. To my co-YSL scholars, don’t give up, pursue your dreams and achieve your goals in life. Always remember that GOD will never leave nor forsake us and will never get tired of guiding us, protecting us and providing our needs.

Lastly, I would like to extend my sincere congratulations to my fellow graduates’ batch 2020-2021 and to all students who strive hard and excel in their academic field. Congratulations!

May God bless us all. ■

“Commit to the Lord whatever you do,
and He will establish your plans.”

– Proverbs 16:3

I offer my deepest gratitude to Almighty God for giving me the chance to have this life and for seasoning it with all the experiences especially for letting me surpass all the hardships and for molding me day by day until I became who I am today.

A lifetime is like a book that can be divided into many chapters, with moments of defeats and triumphs. I’ve been in so many defeats but I survived. I can say that I am a strong person because I surpassed all the sleepless nights, disappointments, tears, fears and silent battles in life.

You should strive hard to reach your goals in life. Just commit all your plans, all your decisions to the Lord. He is there always willing to make it happen. Aim high and dream big. The lessons you have learned and experienced is to prepare you to face tougher responsibilities. And the knowledge, skills and values that you learned must translate to meaningful actions.

My heart is full of happiness right now and I would like to share the feeling of success with my family, friends, and especially my CARITAS FAMILY, who helped me all throughout my journey. Thank you for the unending support and unconditional love. My

achievement is also your great achievement, a living proof of your support and guidance. God knows how I am grateful for all the sacrifices you have made. I love you very much. To all CARITAS and staff, thank you for your unwavering support, guidance, wonderful moral and spiritual guidance, and of course the financial support to assure us that we would finish and earn our college degrees.

To my fellow YSLEP graduates, we are all part of each other’s accomplishments, for we had each other to lean on when everything seemed impossible.

All our sacrifices have finally paid off. I’m blessed beyond measure and no words can express how thankful and happy I am.

Congratulations to all the graduates, may you all achieve your goals. To God be the glory.

“Don’t just dream but survive, and don’t just survive but act.” ■

CARITAS MANILA
YSLEP
SERVANT LEADERSHIP AND EDUCATION PROGRAM

MESSAGE

CURE THE WORLD

Congratulations to Caritas Manila’s YSLEP
Class of 2021!

Welcome to a new world with new chal-
lenges! And together, we wonder what we should do
with the many new problems we face? Well, together
we face them and we solve them!

Challenges are only problems waiting to be
solved. And all problems have a solution! If a prob-
lem has no solution, then it is a mystery. And in life,
there are only 20 mysteries, and we are already
praying for them with our Holy Rosaries!

The only reason why most people are having
challenges with new problems is because they are
still using old solutions. For new problems, we need
new solutions!

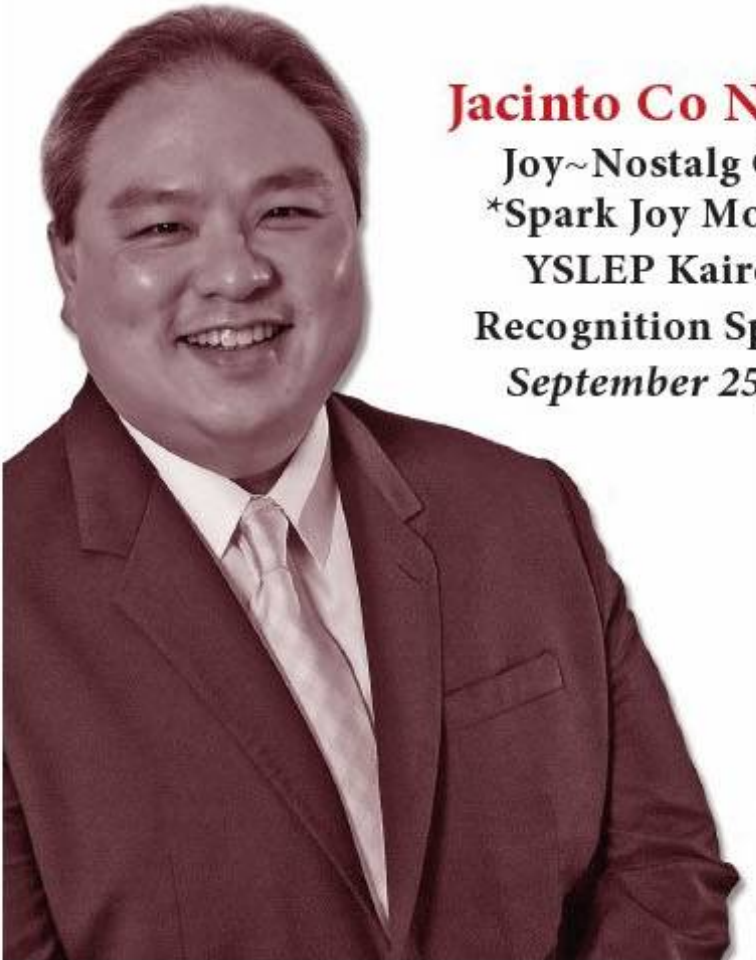

Now is your perfect time to come into this new
world, as we need your new and truthful knowl-
edge, blessed from the education you have received
through Caritas Manila. I sincerely invite you to join
me in my social business advocacy — to home the
homeless.

We need your new minds to face and focus on
solutions, rather than to worry and complain about
problems. The world needs a new cure.

Let us take the case of our current pandemic.
Many are worried. Yet thankfully, through our Ora-
tio Imperata, vaccines have been developed as the
solution to end the pandemic. Now, we need your
new knowledge to raise acceptability and vaccinate
our nation. Vaccination is our key solution, and you
are part of the action.

Never worry that you are too small to matter. You
will only be small when you think yourself small and you
will be big by your big actions. Learn from others not
because you are less but because you can be more.

It is like elections, we only have one vote. Yet
thankfully, through our family and friends, we can be
of good influence and information to good governance
for them to collectively vote responsibly, very much
more than our one vote individually. We need your
new knowledge to educate, enlighten and empower
so many others in voting leadership who are good,
right and love for our country. While you may have a
single vote, you will have multiple impacts on those

whom you love dearly, including our nation.

My friends, what truly matters is not how much
we have in life, but rather how well we use what we
have in life.

You are all blessed today with new knowledge.
What will you do with it?

Cure the world!

Create a better normal for a better world for
your family, your community and our country. Cure
the world by your caring compassion to serve and
to lead others with logic and love. Cure the world
with the servant leadership love of Christ. As Christ
cures us, like Christ, let us cure others. Let us be
Christ-like in our character.

As new servant leaders, there is never a better
time to lead than when we love courageously. May
God grant you the wisdom to do good and the cour-
age to love always.

Class of 2021, together, you and I, let us cure
our Philippines. With love and light, nothing is im-
possible.

Mabuhay po tayong lahat!

God bless you and your families.

God bless our Philippines! ■

WHAT IS CAMASA?

The CARITAS MANILA SCHOLARS ASSOCIATION is the community of Caritas Manila's graduate scholars.

They are the fruits of Caritas Manila's scholarship program formerly known as the Educational Assistance Program (EAP - 1953 to 2007) and now as the Youth Servant Leadership and Education Program (YSLEP - 2008 to present).

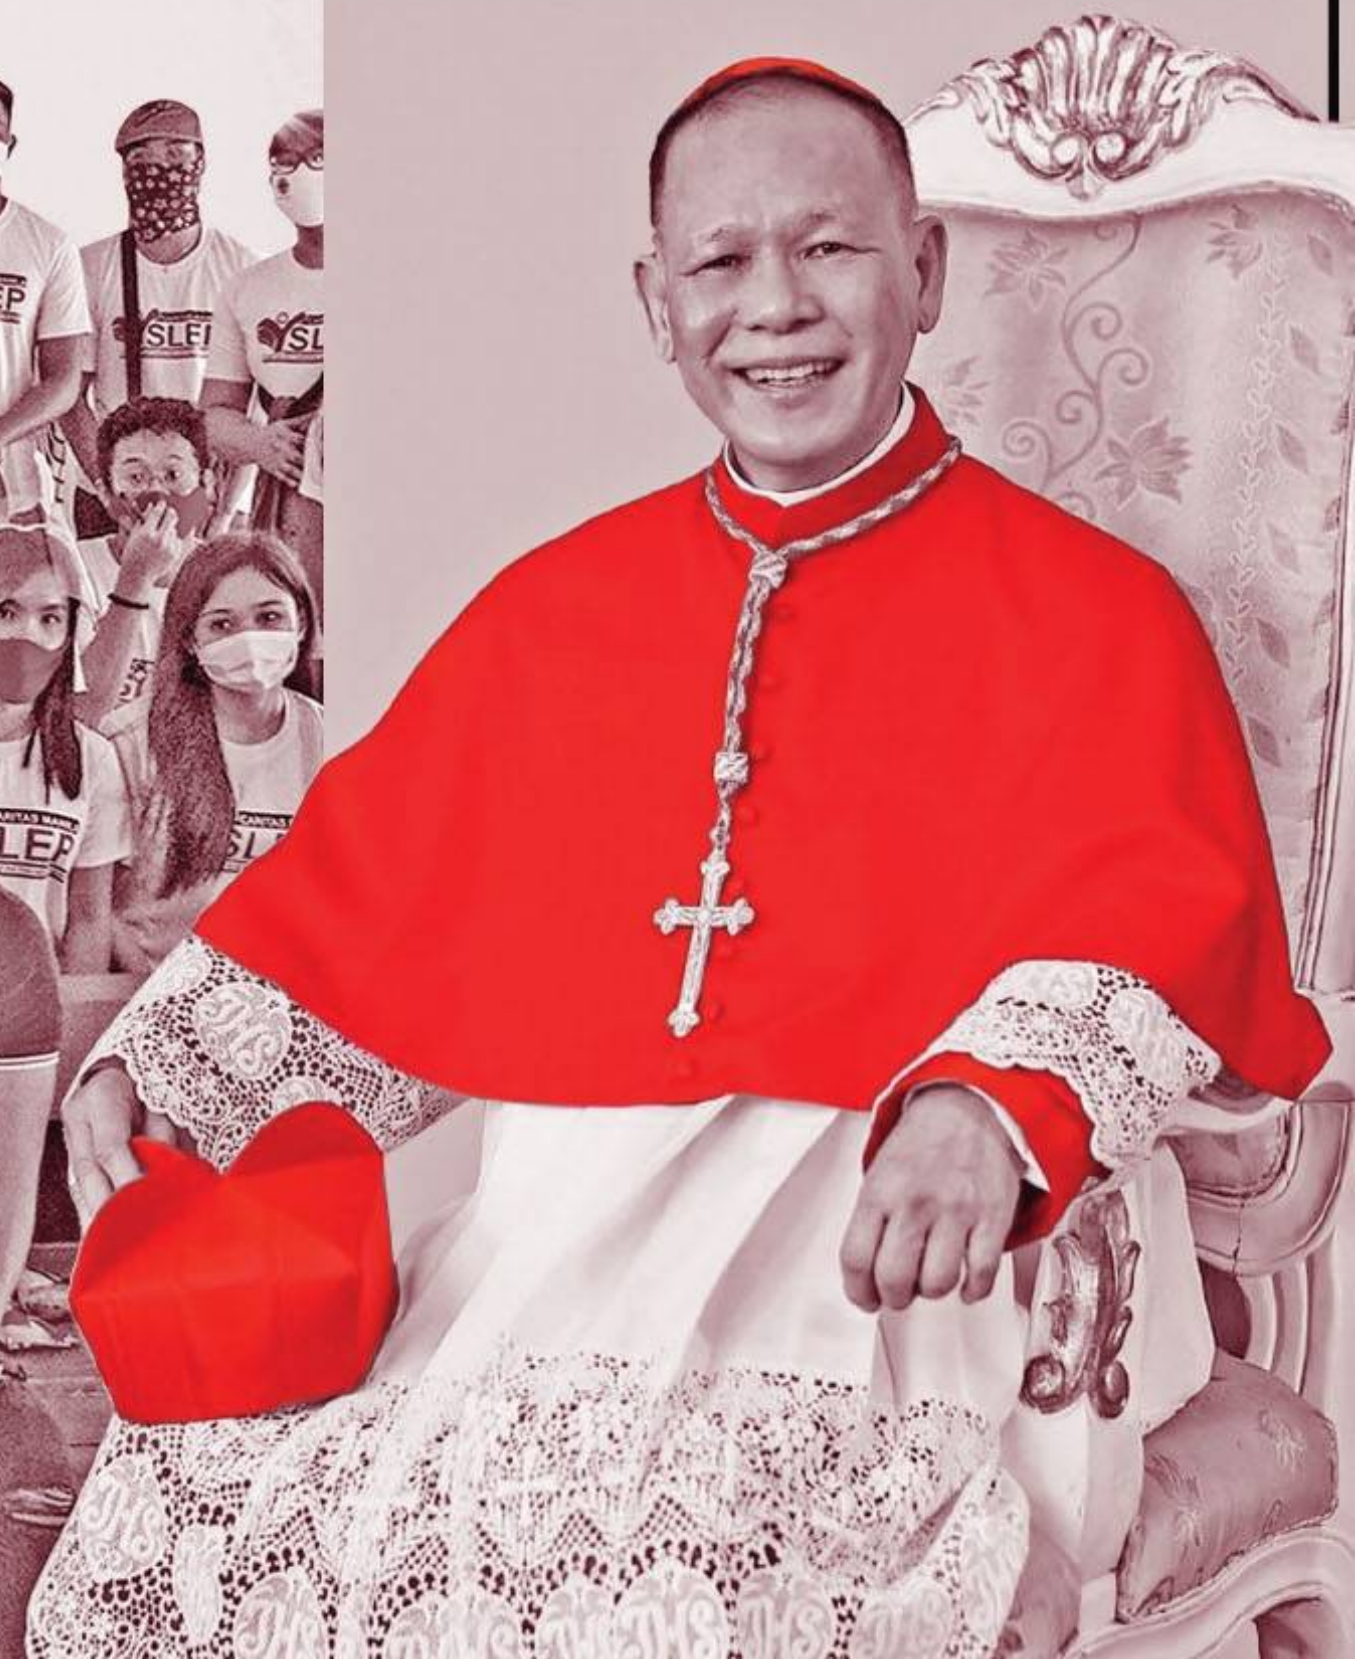

The LOGO represents both the diversity and the fellowship of the members in the association unified in love - Caritas, and keeping alive Caritas Manila's vision as Church of the Poor for the service of the poor, rooted in faith and driven by love.

The main activities of the Society

- 1. Membership.**
YSLEP graduates automatically become members of CAMASA.
- 2. Monitor and Networking.**
CAMASA members are monitored to ensure that they are gainfully employed and progressing out of poverty while remaining active in church/community services.
- 3. Formation and Fellowship.**
CAMASA members assemble for continuous formation and actively participates in Caritas Manila's events and activities.
- 4. Balik Handog (Pay Forward).**
Graduates are encouraged to become donors by sponsoring other Youth Servant Leaders.

"I (lean) towards education because of its more lasting effect on the lives of our people... we need to help not just the people in the Archdiocese but also those from other places... I know that we can still do a lot especially for our poor brothers and sisters."

PROVERBS 4:11-23

I have taught you the way of wisdom;

I have led you in the paths of uprightness.

When you walk, your step will not be

hampered; and if you run, you will not
stumble.

Keep hold of instruction; do not let go;
guard her, for she is your life.

Do not enter the path of the wicked,

and do not walk in the way of evildoers.

Avoid it; do not go on it;

turn away from it and pass on.

For they cannot sleep unless they have done
wrong; they are robbed of sleep unless
they have made someone stumble.

For they eat the bread of wickedness
and drink the wine of violence.

But the path of the righteous is like the

light of dawn, which shines brighter and
brighter until full day.

The way of the wicked is like deep darkness;
they do not know what they stumble over.

My child, be attentive to my words;
incline your ear to my sayings.

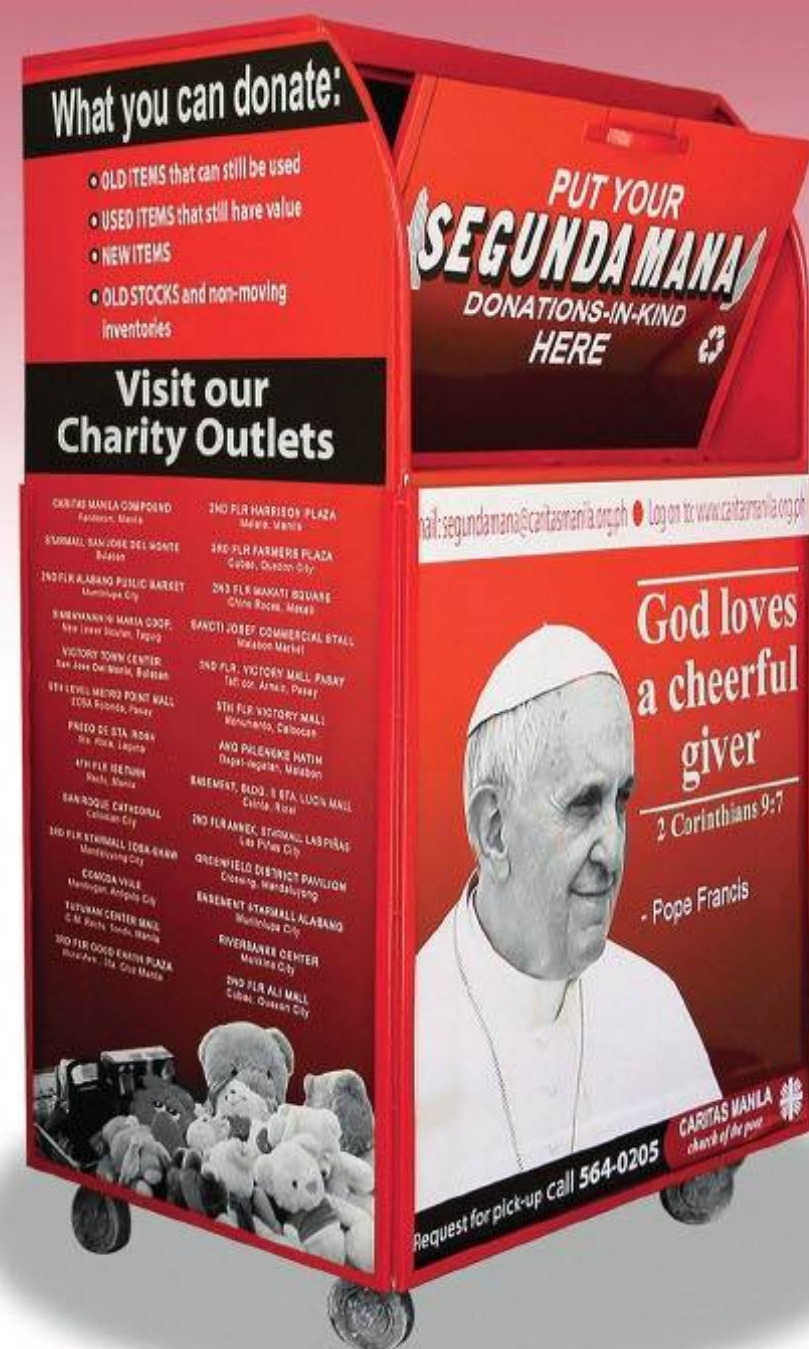

Do not let them escape from your sight;
keep them within your heart.

For they are life to those who find them,
and healing to all their flesh.

Keep your heart with all vigilance,
for from it flow the springs of life.
